# WELCOME

Thank you for choosing Arizona Royals All-Star Competitive Cheer program. Our gym was established in 2013 and has years of experience and success behind it. We currently coach competitive cheer teams and teach all levels of tumbling skills. Arizona Royals Competitive Cheer employs and subcontracts with cheer, gymnastics, tumbling, choreography, and dance professionals to provide our students with the best, most disciplined training in the North Scottsdale area. At Arizona Royals, we take pride in our ability to focus individual attention on each students' needs by conducting regular assessments of each team member and establishing goals with the student and their parents. We teach our athletes to excel in all areas of the sport through proper instruction and dedication.

" All-Star cheerleading is a great way of learning teamwork and discipline while creating friendships that last a lifetime."

## GENERAL INFORMATION

### WHAT IS ALL-STAR HALF SEASON?

Half season teams offer less time and financial commitment, while still providing the training and expertise of a full season team. We offer half season teams for beginners in cheer OR for the higher-level athletes looking for a lower commitment team. Athletes who try-out will be placed on a team based on their current age and skill level.

Tryouts are held in October with the season finishing in April. All competitions will be local to the Phoenix area. If this will be your first year at AZ Royals, we are excited you have decided to join us.

Please contact our Operations Manager to answer any questions you have about this program.

## ATHLETE & FAMILY EXPECTATIONS

### AGE REQUIREMENTS

To participate in the Half Season program, athletes need to have been born within the range of 2008 to 2017.

### COMMITMENT

It is imperative that our athletes understand that there is a commitment to this sport and their team cannot be put aside for other activities or other team sports. While we appreciate that athletes have multiple interests, it must be understood that all of the team members have made a substantial financial and participation commitment to be a member of Arizona Royals and your first commitment decision that you made when you signed up, is to your gym and other team members of Arizona Royals.
